## iDance4aCure Event

Please join us on March 5th from 5-8pm as SCB hosts an iDance4aCure event. We are hoping to raise \$1500 for childhood cancer research. To register as a dancer or make a donation please visit [www.wizathon.com/idance4acure-scb](http://www.wizathon.com/idance4acure-scb). There is a registration fee of \$20.00; each dancer will receive a T-shirt and bracelet, all dancers must be pre-registered.

No formal training is needed-all are welcome! So bring your friends and family.

## Spring Performance

Saratoga City Ballet will be performing our spring performance/year end production on Saturday June 11, 2016 at 1:00pm at The Saratoga Springs Middle School. We hope all students will be performing. We are asking for every parent to please sign a participation form and submit a costume fee of \$25.00 if your dancer is participating. This is our one and only end of year performance/recital. Vanessa is working out a rehearsal schedule. For the younger children, rehearsals will most likely be in the class setting. We will need to have all the students rehearse together for staging purposes a couple of times. These rehearsals will most likely be on a couple of weekends and will be mandatory. If you have not submitted your participation form; please do so immediately.

This is a great way to end our year and let our dancers entertain you with all they have learned this year. There will be two Acts; Act I will have contemporary pieces choreographed by our own students and a modern piece choreographed by Beth Fecteau of NACRE, who teaches our modern class. Act II will be excerpts from ballets with a spring theme performed by all our dancers.

More information in regards to Ticket Sales, Volunteer Lists and rehearsal schedules will be forth coming.

## Studio Reminders

**Just a couple of reminders:** If your student is going to be absent from class please notify us by 3:00pm. All missed classes can be made up. Also, if your dancer is out due to injury; a doctor's note is required stating for how long and when they may return to classes and rehearsals. Dancers that are out due to injury are still expected to come to all classes and rehearsals. They can take notes and help out.

Tuition is due on March 1st.
