*Please note that 4% fees are reflected in the prices above for paying via credit card or PayPal. Ballet in the City cannot accept payment for Saratoga Photo Shoots by check unless made by special arrangement. Please call our office if you have any questions. Payment must be processed and paid in-full in order to confirm your shoot.

The dancer (or parent if dancer is under the age of 18) will be required to sign a model release prior to the shoot. No photo shoots can take place without full execution of the model release. Details will be sent upon photo shoot payment and confirmation.

FAQ:

Q: What do I wear?

A: It's your shoot, so wear whatever you're comfortable with! If you are unsure on what to wear, just bring extra clothing just in case.

Q: Locations?

A: We will be shooting in and around the Dance Museum and grounds in beautiful Saratoga Springs. We use our resources! A lot of our work has been shot in places you wouldn't expect so we know we'll find some interesting locations!

Q: Posing? Camera shy? Nervous?

A: We want you to feel confident and positive about your session. Let us know if there's anything we can do to make you more comfortable!

Q: Photo delivery? How do I get my photos?

A: We aim to get your images out as soon as possible. They will be sent no later than August 10, 2018. We will send you a digital link where you can download the images. You can also purchase Flash Drives that I will upload your photos on, if you prefer to do that as well/ instead.

Q: Can I order prints?

A: Every shoot will come with a print release, which allows you to print the images from the shoot without having to go through the photographers. If you prefer to order prints through your photographers, you certainly can do so.
