A RECREATIONAL DANCER is free to pick and choose the DAY(s) that suit **their** schedule, as well as the DANCE FORM(s) that interest them. This means the student may explore the school's offerings without being required to take a **minimum number of classes for their level**.

However, if RECREATIONAL DANCERS would like to perform in our productions they will be required to audition.

A FULL TIME DANCER is on a path of serious training. This means the student is required to advance their study yearly by taking more classes. Saratoga City Ballet ascribes to a conventionally structured system that sees the young dancer starting with one ballet class per week, and working up to (over several years) a daily ballet and/or dance class.

FULL TIME DANCERS are automatically given the opportunity to perform in our Winter and Spring productions, provided that attendance throughout each term is regular and satisfactory but will still audition for placement. The **FULL TIME DANCER's** schedule:

Ballet I – 1 (one) **Ballet** class a week

Ballet II – 2 classes a week (2 Ballet classes OR 1 Ballet class + 1 Jazz class)

Ballet III – 3 classes a week (3 Ballet classes OR 2 Ballet classes + 1 Jazz, or 1 Modern)

Ballet IV – 4 classes a week (4 Ballet classes OR 3 Ballet classes + 1 Jazz, or 1 Modern)

Ballet V – 5 classes a week (5 Ballet classes with 1 Jazz or 1 Modern or 5-6 Ballet classes)

Teacher Conferences

The office is our administrative business area and break room for faculty. Instructors are trying to prepare for their classes so please keep questions brief and to a minimum. For more in depth conversations, parents are welcome to schedule a conference with our teachers. Messages left on our answering machine are always returned.

Etiquette

The Saratoga City Ballet company is committed to upholding the traditions of classical ballet. We are a pre-professional school, meaning that those attending have aspirations to a possible career in dance, either as a performer or a teacher. Dance is an art form that demands discipline and mutual respect. We expect our students to behave in a way befitting that of any serious dance student. We expect that all students will act with decorum both in and out of the studio. Students are to behave courteously to faculty and their peers at all times. For the benefit of others, any student causing disruptions during class will be asked to leave or sit out.
